Mayor's Corner

Securix

Mayor Graves advised the Board that we met with Securix today. There has been a stall, they were waiting on parts for the cameras. They advised that they should be starting to install cameras next week. We are hopeful that revenue from this program will come in the early fall.

Sports Park

Mayor Graves advised the Board that he has met with Rob regarding the artificial turf. We spoke about the possibility of doing sponsorships, maybe a billboard type for a larger sponsorship amount, then naming fields and banners for smaller amounts. This possible revenue could help with the artificial turf and a new concession building.

Alderman Simpson asked if Rob was looking into the dollar amount.

Mayor Graves answered yes, I don't think it is finalized just yet. I think the price for the artificial turf would be about \$150,000 per field.

Alderman Dear asked if Rob has tried utilizing the two windows like what was mentioned before.

Mayor Graves stated this past weekend was Dizzy Dean, it wasn't as crowded.

Alderman Simpson stated I agree with Alderman Moore's idea of the two open windows, I think it would help.

Adjourn

Motion was made by Alderman Simpson, and seconded by Alderman Dear, to adjourn. All voting yea, motion carried.

Greg Graves, Mayor
